-

1 Jahr 9 Monate
Senior Analyst
November 2015 - April 2016 (6 Monate)

Complex intelligence analysis; leading intelligence analyst teams; making public, and human source enquiries and overseeing information collection requirements.

Analyst

August 2014 - November 2015 (1 Jahr 4 Monate)

Complex intelligence analysis, conducting both public and Human Source enquiries.

The job made me confident in making actionable, timely decisions in complex situations in which information is difficult to obtain and may be insufficient as well as in operating in a highly political environment.

HORUS SECURITY CONSULTANCY LIMITED

Senior Intelligence Researcher

November 2012 - August 2014 (1 Jahr 10 Monate)

London, United Kingdom

Quality checking (QC) the distribution and compilation of daily risk reports to clients and QC-ing the work of the Open Source Intelligence (OSINT) collection team. Conducting threat assessments and risk analysis with action plans, writing monthly and weekly analysis reports on the areas/subjects under investigation. Writing operation orders for the Evidence Gathering Team (EGT), participating in EGT tasks where necessary.
