Zusammenfassung

On October 1st, I transitioned from my position as CEO of BWI, a role I had held since early 2023. My tenure at BWI began in September 2018, during which I served in various C-Level capacities.

Prior to joining BWI, with the rank of Lieutenant General I served as Commander of the German Army Multinational Headquarters Elements and Basic Military Organization. From June 2015 until July 2016, I was deployed to Afghanistan as Chief of Staff at Headquarters Resolute Support.

Before this assignment, I held the position of Director of the Planning Office of the Bundeswehr. Previously, I served as Deputy Chief of Staff for Operations at the Bundeswehr Response Forces Operations Command from November 2010 to May 2012.

From July 2008 to November 2010, I commanded the 31st Airborne Brigade in Oldenburg, and during this period, I was also deployed as the Commander of ISAF Regional Command North in Afghanistan from December 2009 to June 2010.

As Chief J3 EUROCORPS from October 2002 to February 2005, I served in Afghanistan as Deputy Chief of Staff, HQ ISAF from July 2004 to February 2005.

Earlier in my career, from July 1998 to August 2000, I commanded Armoured Reconnaissance Battalion 13 and was deployed to Bosnia as Commander of the Armoured Task Force-SFOR from November 1998 to April 1999.

I commenced my military service with the Bundeswehr in 1977, was commissioned as an Armoured Cavalry Lieutenant in 1980, and have undertaken a series of assignments including troop leadership and company command.

I hold a Master of Business Arts degree from the Bundeswehr University in Munich (1982) and am a graduate of the Bundeswehr Command and Staff College in Hamburg (1992).
