Paola Compés Tatay

Head of Communications | Project A
Berlin, Berlin, Germany

Experience

Project A

3 years 3 months

Head of Communications

January 2025 - Present (1 year)

Berlin, Germany

Project A is a leading early-stage investor partnering with ambitious founders from idea to scale. With €1.2b AUM, we invest €1–6m at pre-seed and seed across Fintech, European Resilience, Global Supply Chains, and the Future of Autonomous Work. Our portfolio includes companies like Trade Republic, Sennder, Zepz and Quantum Systems. Through our founder-led Studio, we shape and validate bold ideas from day zero, collaborating with ventures like 11x, ARX Robotics and Enapi.

Head of ESG & Platform

October 2022 - February 2025 (2 years 5 months)

Berlin, Germany

CDP

Account Manager, Supply Chains

January 2021 - September 2022 (1 year 9 months)

Berlin, Germany

- Relationship owner of 14 multi-sectorial European companies, with an estimated US\$ 345 billion procurement spend, partnering for an effective and strategic engagement of their supply chains.
- Business development lead for Belgium, France, and Spain markets
- Leveraging supplier engagement metrics, data, and collaboration opportunities to guide members in tracking the progress of scope 3 renewable energy targets, science-based targets, and other critical resources performance.
- European Supply Chain team lead in the Science-Based Targets (SBTs) workforce and global representative for the SBT campaign, targeting large market cap and high-emitting companies to set ambitious Net Zero goals.
